

Slide Inn, Montana July 28th- August 3rd, 2024

Thanks for signing up for our 2024 Montana Trip to the Slide Inn in Cameron, located on the banks of the famous Madison River. We are sure that this will be one of your favorite western experiences for years to come! We are thrilled to be the guests of Kelly Galloup and his Slide Inn! Your trip will be hosted by Brian Flechsig from Mad River Outfitters.

You need to plan on arriving in Bozeman, Montana sometime in the early afternoon of Sunday, July 28th. You will then need to rent a car and make your way down to the Slide Inn.....directions and phone numbers can be found on www.slideinn.com. There you will spend the next five days and six nights chasing big brown and rainbow trout on the Madison River and other fabulous fishing opportunities in the area. Four days of guided fishing, meals and lodging are included in the price of the trip. We will then depart from the lodge on the morning of Saturday, August 5th so a late morning, early afternoon departure is fine.

Please remember that Wednesday the 31st will be a “day off” and Brian and Kelly can help arrange the day as you see fit.

Below is a listing of some of the things to bring along. Basically, pack for a week of fishing trip in Montana! A 50% deposit is required to hold your spot and full balance is due by April 28th

Other than that.....we are all set to see you in Montana on Sunday the 28th of July!
